Welcome...to the semi final special!

Welcome to Issue 4 of the Roselea Ladybirds Netball Club Newsletter, a semi finals special. Please ensure you check the Roselea Ladybirds website for team results, statistics and important information as it happens – www.rlnc.org.au.

Cadets 3...semi final

A big congratulation's to the Cadets 3's for a super effort in their semi final game. Unfortunately, the Cadets 3 lost, however they should be extremely proud of their result as they played with only 6 players for 3 quarters of the game and remained very competitive!!!

With their very vocal cheer squad congratulating them on every single great pass and encouraging when they needed a boost. To then only loss by 3 points, they were winners in the eyes of their supports and the club. They have finished in 4th place. Well Done!!

The Roselea Ladybirds Cadets 3 team includes: Aimee Burrow, Claire De Mellow, Siobhan Healy, Emily Laundry, Dominique Ryan, Arabi Shivaraman, Anna Sparks, Susie Talsi, Shruti Yardi, Coach: Angela Laundry and Manager: Maryellen Ryan

CONGRATULATIONS...modified team on your 1st year of netball!

This year the Ladybirds have one modified netball team in the under 9's. There are 9 girls on the team with their ages ranging from 6-9. At the beginning of the season all players were beginners with only Sienna having played before in an indoor comp over the summer. All the girls were ready and waiting at training in their new uniforms and all, excited to start their first season of netball. Jacki Szady is coaching the girls and has done a great job showing them all the skills and tips they need to start off their very first season.

The girls now nearly always remember where they can and can't go on the court, which was a tough job when you have to change the girls positions every quarter! Their passing has improved and there are now not so many "hope for the best passes by throwing it into a bunch of girls." Their breaking and defending has become a strong point in the team as they've learnt drills and tips to break past the opposition.

The team has had mixed results this year. When playing other teams in the comp who had also started their first year, our team usually come out with a win, and whilst we put up a good fight we definitely closed the gap towards the end of the year as we played the more experienced teams in the comp.

Halfway through the season the girls took part in a gala day with Ku-ring gai Netball in an 8 years comp. The girls won 3 out of 4 games with a great effort from all of the girls on the day which gave us good practise and a huge boost for the following weekend games. Surely, we have potential little netball stars in the making, as every girl shined and improved drastically throughout the season!

We wish them all the best of luck with netball in the future and hope they had an exciting and fun season!
