## How many mums does it take to obliterate the competition? Eight!

**That's how many mothers (out of a team of eleven) are in our amazing C8s team.**

Undefeated C8s Champions are determined to take out the grand title of their division this year after topping the ladder board each week.

The team comprises of a mature mix of players and they are proving age is only a number, with the average around early 40's years old and 73 percent of

the team have daughters that player in younger divisions.

## Canteen & Table Duty

Thank you to everyone who helped out with Canteen and Table Duty on the 21<sup>st</sup> May!

All times were covered and we did a splendid job making sure everything ran smoothly.

Canteen Supervisor, Jennifer said we were a wonderful lot of volunteers.

"I want to especially thank Lara Duval for being an excellent helper in filling the fridges for the ERNA District Carnival which was held on Sunday," she said.

Great team work ladies!

## ERNA District Carnival

Thank you for our umpires who helped out at the carnival Last Sunday. Special mentions go to Lara Duval, Courtney Allen and Alysha Robb (apologies if we have missed anyone).

ERNA Carnival Committee Member, Trishe Oberg said the carnival was an exhausting, yet fun day.

## Forfeiting

If your team is forfeiting, please ensure that you read pages 33 and 34 of the ERNA 2011 Fixtures Book to do this correctly.

Also, please contact Club Secretary, Trishe Oberg on 0413 184 181.

## Reminders

**UMPIRES** – You must all report to the umpiring table 20 minutes before the game you are allocated to.

If you are told you are not needed, please wait until the games have commenced and at least 5 minutes have been played before leaving the umpiring room.

**FROM ERNA** - Please clean up any rubbish from the side of your court when you have finished playing your game.

Our team number 3, C4's found out recently (when cleaning up) that the grounds at the end of the day is not much fun at all!

**A big thank you to Bec Firth, Keita and Siarne Rennie for keeping a smile on their faces while doing this duty and doing a great job!**

## Netball Rules

**On Borrowing Players** - Please cross off any names of players who are not playing.

If a player is playing in a higher grade, write down what team number and grade they have come from in the appropriate section of the score sheet.

Players can only play 2 competition games on any one Saturday.

They can only play 2 games in a competition higher than their own grade in one season as well.

Be aware, if a third game is played, they cannot return to their original team and would become an illegal player.

If anyone needs more information please get your team copy of the Fixtures Book from your Coach, Manager or ring Trishe Oberg.

## Continued from page 1.

The C8s are a great example of how good communication on the court and teamwork are the elements of success.

C8 Goal Keeper, Mary said “it’s about understanding each and every person’s style of play.”

“This way no matter how many players are in the team, you can swap [positions] at any quarter and still win as you know everyone’s style,” she continued.

The biggest feat of the season (so far) was in game 4 against Santa Sabina Seniors 4.

The C8s won with a triumphant 35 point margin in the final score (48 to 13).

Interestingly to mention, Santa Sabina’s team was made up of Year 11 and 12 girls, with an average age of 17!

This game in round 2, will definitely be the one to watch for the goals!

Whereas the closest game of the season was against Ermington United 3, the final score 28 to 25, which also was the toughest game to date to play.

Mary believes her team will do extremely well for the rest of the season and there will be a few close games most likely against Ermington and Gladesville, yet she is still positive.

The team has been playing together for a number of years, with 3 new additions this year – Emily Ryan, Mary Ellen Ryan and Jenny Connor.

Mary has been playing Goal Keeper for over 20 years and special thanks go out to her for helping make this article possible!

## In Spotlight: The Cadets 3

### How long have you been playing together?

Most of our team has been playing together for the past 7 years, however over the last couple of years we have lost a few players and gained some new awesome ones.

Our current team has been together for 3 years

### What has been the most challenging game of the season and why?

It was our first game against Woolwich and it was so close... we only lost by one!

We were so tired afterwards but it was a good challenge and next time we are going to win!

### Most memorable moment of the court?

When Lara Duval was playing GA, she caught the ball in the goal circle but starting falling over... She decided to impulsively throw it towards the hoop and miraculously got the goal!

### What's a skill or play you have learnt /perfected this year?

We have developed our skill of breaking. We used to give away a lot of passes because no one would break, but now we drive towards the ball and strategically maneuver around our components.

### Any netball tips you want to share?

Make sure you always listen and play to the umpire's calls. Don't forget to thank them at the end as well!

**Back Row:** Zoe Huxtable, Cheyenne Barton, Lara Duval, Anushka Meswani, Taylor Telfer

**Front Row:** Artie Chopra, Sharmene Konesvarapavan, Jamie Telfer,

## Thanks & Congratulations

**Congratulations** to **Liz Ryan** for achieving her B Badge in Umpiring!

**Congratulations** to **Lara Duval** as well, for receiving her ERNA Encouragement Badge for Umpiring.

**Big Thanks** to **Emma Richards** who stepped into Liz Ryan's shoes as Umpire Convener whilst she was away with work.
